## FROM THE EDITOR

Michael M. Kloian (912) 547-2416

### **ROBOTS USED TO CARVE OUT MARBLE SCULPTURES** (as seen on CBS)

Robotics is here to stay. This technology has quickly advanced to the degree it is faster, and much more accurate to use a robot to create a modern-day sculpture, like a Venus sculpture, or several

very famous sculptures rather than dozens of humans taking months to hand chisel out the same sculpture. And, this is accomplished with pinpoint

precision using a diamond crusted finger. One robot can perform the same work as an army of sculptures in just 4 or 5 days. High-tech artisans would take hundreds of hours to create Michaelangelo, for

example, and the robot could complete the same project in just a few days, or less, and can work 24 hours without stopping.

The famed Tuscan marble quarries supplied the finest marble for Michaelangelo, Conova, and Bernini.

Any new sculpture is created by 99% robot, and 1% human for the finishing touches.

## RUMMAGE SALE SHED

*contributor Marian Brooks 941-667-0879*

The 2025 rummage sale has been canceled and what a shame! That's all I can say. The amount of work that has gone into the 2025 sale thus far this year! The phone calls. Can you help? Can you man this table? Please come and pick up my treasures. Clean this, fix that, put it in the shed. Joyce Havens sitting for hours at the shed this spring, waiting for donations. Sandy Lee scouring the streets on her daily walks, caring for a friend, always on the lookout for saleable goods. The organization meetings that our 2 chair-people, Joyce and Sandy had quite often. Carol Gilchrist meeting new residents and explaining that treasures shouldn't be taken to the curb but sent to the shed, and finding someone to do just that. Then there are our good Samaritans who pickup and place things in the shed. Joyce Martin, Liz Breadstill and Steve Rollison. You can often see those three with a cartload hauling *stuff*. They always step up to the plate. Suzanne Jones, Mike Snodgrass, Dave Eungard, and Bill Adamson purchased materials and repaired the shed last spring. Suzanne even took a nail to the foot. This is clearly a tragedy. It just makes me sad. I probably have missed some names and for that I am sorry. BUT I thought that these people should be recognized for their efforts and hard work.

 Board Certified Hearing Instrument Sciences  
 American Conference of Audioprosthology

My mother, MaryEllen, and grandpa, Howard, were both hard-of-hearing. My Mom underwent ear surgery that left her with a profound hearing loss. My grandpa struggled to hear for as long as I remember. I still recall talking into his pocket where he carried his body aid.

I started working with hearing aids in 1999 and I loved it from the beginning. I took all the classes and extra accreditations including Board Certification and designation from the American Conference of Audioprosthology.

Since I was raised in a hard of hearing household, I have firsthand experience with frustrations and misunderstandings. I watched my own father, Ed, get frustrated whenever he had to repeat himself. I watched my Mom, who loved social events, choose to avoid very noisy situations due to her hearing.

When Karen married into our family, I saw her get her feelings hurt since she thought my Mom wasn't listening. It was accurate but not on purpose. Both my Mom and Karen enjoy cooking, but a kitchen is an acoustical nightmare.

When they cooked together for our holiday meals, I would have to stand in the middle of the kitchen and translate what Karen was saying to my Mom. It is much easier to hear a deep male voice than Karen's higher pitched voice. Add in an exhaust fan, a clang of a pot and a clink of a dish and this is not an easy place for conversation.

A few years after I got into this industry, I was able to re-fit my Mom with appropriate technology for her very social life-style. I gave insight to Karen about her feelings of being ignored. I gave awareness to my Mom about her frustrations and feelings of isolation.

I thoroughly enjoy being able to share these personal experiences so you can see you aren't alone. I truly do understand the frustrations. These insights enable me to help you ease the strain that does exist when living with someone with a hearing loss.

I am so very grateful that I get to do what I love doing every day. I get to be of service to other families who struggle with hearing loss and improve their life and connections with their families. If you or a family member struggle to hear well, call for a free consultation.

## **MORE HELP NEEDED!**

*contributor Marian Brooks*

We always need help. While some folks have signed up to chair certain future events, several events need a designated chairperson to run the show, plan the menu, and find volunteers, etc. The 2025 Events sheet will be on display at the clubhouse in 2025 for those who wish to volunteer.

**Volunteers** are always needed to chair and work each event. Some categories of volunteers are: Chairperson(s) to manage and plan the event, Kitchen Helpers (food preparation), Food Servers, Sink Duty (cleaning pots, pans, utensils), Set-up & Tear Down. To volunteer, please call the chairperson in charge of the event if you're inclined to assist. Many hands makes for an easier job.

*contributor Steve Rollison 941-375-8110*

### **YOUR MOST VALUABLE ACCOUNT**

You probably have an online account that many crooks would value even more than your bank account. Really!

Hacking into your e-mail account might actually provide them easy access to all your other online accounts – including your bank and/or investment accounts. But you already knew that – right?

You did know that already if you've been an Event Alerts subscriber for a while. That's because an Alert went out not that long ago, describing how a Bay Lake resident narrowly escaped being victimized by a crafty crook pretending to be an Xfinity employee. Yes, he was trying to con the resident out of his e-mail password!

### **What exactly are the Event Alerts, you ask?**

They are short e-mail "blasts" sent out whenever there are news items, announcements, events or activities you'd want to know about. The Bay Laker Newsletter is great, but like any printed information, it's pretty much out of date by the time you pick it up.

Alerts are the best way to stay on top of things at Bay Lake.

If you're not already a subscriber, becoming one couldn't be any easier. Just send Steve a request at: [EventAlerts@SteveRollison.com](mailto:EventAlerts@SteveRollison.com)

A brief "Please subscribe me," along with your name, is all you need to send.

## THE HUMANE THING TO DO

*contributor Michael M Kloian 912-547-2416*

## CYCLE ACROSS AMERICA

(as seen on NBC's Nightly News 11/07/2024)

For months, Yi Fei Xu has gotten up every morning and set out on his bike not knowing where he'll spend the night, or even where he'll get his next meal. That's because in his quest to cycle across America, he is relying on the kindness of strangers.

He came to cycle his way across America but he brought with him a bit of skepticism simply because he was under the impression American's were not friendly. This perhaps stemmed from some propaganda in China.

He did discover, during his travels, that many Americans were willing to help his quest by feeding him daily and housing him from time to time.

In his own words he is quoted as saying "Americans are good people."

If you have a 'The Humane Thing To Do' story please submit this to the editor at [editor@baylakeestates.org](mailto:editor@baylakeestates.org).

## MIRACLES DO HAPPEN

*contributor Michael M Kloian (912-547-2416)*

### **HELP IS ON THE WAY!**

The brand new Disney 'Treasure' cruise ship was on its first trans-Atlantic voyage when a distress signal was heard by the Coast Guard. The closest ship was the 'Treasure', about 80 miles away, and quickly dispatched a small boat to rescue the people on board. A 50' Catamaran ship was quickly sinking about 200 miles off the coast of Bermuda and four people on board were rescued by the cruise ship.

I hope they received free meals and drinks on the cruise ship.

You see, Miracles Do Happen!

## WHERE TO DINE – WHAT TO ORDER

contributor Michael M Kloian (912-547-2416)

TJ CARNEY'S – 231 West Venice Avenue, Downtown Venice; Tel: 941 480 9244

Sure, I sing Karaoke there every Monday night (at 7:00) but I also

order something to eat. Ever since Two Roosters closed their doors a tasty slab of ribs where the meat is soft and falls off the bone is hard to find. Not anymore. TJ is the place for ribs. I've also had their Shepards Pie several times which is unmatched by any British Pub I've been to. The Ahi Tuna appetizer is delicious as is their chicken pot pie. I recently had the French Dip which offers a generous portion of thinly sliced roast beef and you must order a side of onion rings (the best I've ever had). The corned beef sandwich is ridiculous-piled high with tasty corned beef.

Their Happy Hour is 3:00 – 6:00 with special prices on a long list of appetizers and drinks. Check out their website @ [http://tjcarneys.com/event\\_calendar](http://tjcarneys.com/event_calendar) for special occasions and live music events.

## MY FAVORITE FILM OR TV SHOW

contributor Michael M Kloian (912-547-2416)

### **AMERICA'S GOT TALENT (AGT)**

Rarely will I use this newsletter as a sounding board for what I most enjoy watching, except in this instance where I would like to share an amazing story about an amazing performer.

Darci Lynne Farmer was only 12 years old when she first appeared on AGT debuting her ventriloquist act. She introduced us to Petunia, her *rabbit* puppet, then Oscar, a 2nd *mouse* puppet, then Edna a 3rd *old lady* puppet in subsequent appearances. Edna sang a song for Simon Cowell (a judge) because she loves him. A smiling Simon loved it. He couldn't stop smiling and grinning while the song was playing.

There have been numerous ventriloquist acts on AGT but nothing like Terry Fator, Darci's mentor, who won Season 2 on AGT with his ventriloquist act, or Darci Lynne who won Season 12 in 2017 with her act.

Darci also returned to AGT for the "AGT Champions" in 2019. In her own right, Darci is a very good singer but to hear her sing through Petunia without moving her lips is an achievement of excellence. She always starts her act with funny conversation between herself and her puppet(s) with some interaction with the judges. What blew me away was when she brought both Petunia and Oscar on the show and sang through both puppets. The puppets always interact with Darci.

On her most recent appearance on AGT (in 2024) she sang a very difficult opera song with Petunia hanging onto her. Her last appearance, this past season, on AGT, Darci was 19 years old. Darci has been labelled a most *iconic* ventriloquist. She has inspired hundreds of kids around the world to do what she does. You can see all her AGT performances by going to YouTube.com and type in her name, then type in all-performances.

If you have a 'My Favorite Film or TV Show' story you wish to share with our residents, please send this to [editor@baylakeestates.org](mailto:editor@baylakeestates.org). Put NEWSLETTER in the subject line.
